

# Hunter's Blessing

**May the Lord bless you as you enjoy the majesty of his creation.**

**May you blessed to observe the wonder of the sky, beauty of the vegetation,  
and the glory of his handiwork**

**I bless you with weather that is in your favor. Let the wind carry your scent  
away from the game**

**I bless the animals with food that is plentiful, plant life that is abundant to  
nourish the game and in turn nourish your family.**

**I bless you with crisp, clean air that the Lord provides. Let it be more  
refreshing than you've ever experienced.**

**I bless you with an appreciation of the responsibility of dominion over all  
the animals of the planet.**

**I bless you to be good steward of the land, air, water and game.**

**I bless that during your aim that the Lord will steady your hand, slow your  
Breathing and calm your body.**

**I bless that your eyes be keen to spot the prey and sure as you aim your  
weapon.**

**I bless that your aim be true.**

**I bless you with stealth that makes you invisible to your pray**

**The Lord bless the game to be plentiful and that all of your experiences will  
create thankfulness toward your God, the creator of all you enjoy.**
